Location:

Sydney, Australia

Travel Radius:

Australia Wide & Internationally

Biography:

The high powered, high energy four piece band, captures the looks and style of the chart topping alternative rock group The Offspring.

The Offspring Show is fresh on the scene and is Australia's first tribute band to The Offspring, capturing all the energy and excitement of an Offspring gig.

With fabulous songs, a great front-man, superb musician-ship and lots of audience involvement they perform all the hits including Hit That, Come Out and Play, Self Esteem, Pretty Fly For a White Guy, Gone Away, Million Miles Away, as well as many other classic Offspring songs.

The Offspring Show offers to play any Offspring song with as little as 2 weeks notice.

'The Complete Package' is the only way to describe this show, the band can perform anything from a few songs up to a full two hour set. This explosive show is available with amazing lighting, PA sound & video projections if required, backed with the bands attention to detail with the ultimate music equipment to create and match The Offspring unique sound.

The Offspring Show are perfect for both all age and adult venues / festivals with audience participation, give-aways and much much more!
